Tocca's new Candelinas (\$16) were inspired by seaside locales such as Positano, Italy, and Montauk, on Long Island. Call 800/377-8771 or visit beautyhabit.com.

COURTESY OF GOLDEN DOOR SPA

water therapy

Before the holiday season kicks into high gear, visit the new Golden Door Spa at Naples Grande Beach Resort & Club for some well-deserved rest and relaxation. The South Florida spa is the first of its kind in the eastern United States (the original Golden Door Spa sits in a secluded spot north of San Diego), and its location near the Gulf of Mexico means visitors can indulge in treatments indigenous to Florida's coast. The antiaging Grande Luxe Youth Facial uses a seashore plant extract to hydrate the skin, and other treatments, such as the Sun-Kissed Serenity Scrub, are designed to enhance your skin's glow after a day on the beach. Call 239/594-6321 or visit naplesgranderesort.com.
